Matura

We offer individual support helping adults and adolescents to successfully gain an international English-language university entrance qualification (referred to as *Matura* in Switzerland). International A Levels allow for access to universities and higher education institutions – in Switzerland and all over the world.

We excel in providing study programmes tailored to individual needs. Working closely with our academic leadership team and specialised teaching staff, we collaboratively define goals based on subjects and develop personalised learning plans for every student.

Private classes on-site or online

The choice is yours. You can take your programme full-time and aim to finish as quickly as possible or study part-time if you have a job or other commitments.

Private lesson	CHF 140 / 60 minutes*
Semi-private lesson (price per person)	CHF 94 / 60 minutes*

* Exam fees and textbooks are not included in the school fees.

Classroom setting

Our Matura students also have the opportunity to join Academia International School classes in Basel, Zurich or Winterthur for specific subjects. The price for enrolling in a single IGCSE subject is CHF 6,900, while for a single AS or A Level subject, it is CHF 9,900 per school year.

These classroom lessons are conducted on-site at the school and follow fixed schedules.
